FALL HAPPENINGS

The Fall Texas Breastfeeding Coalition Meeting was hosted in Galveston at the Pregnancy Help Center. Suzanne Juel, IBCLC of Bayou City Breastfeeding presented on Untangling TOTS Treatment. We had a fun day of learning, team building and great conversation.

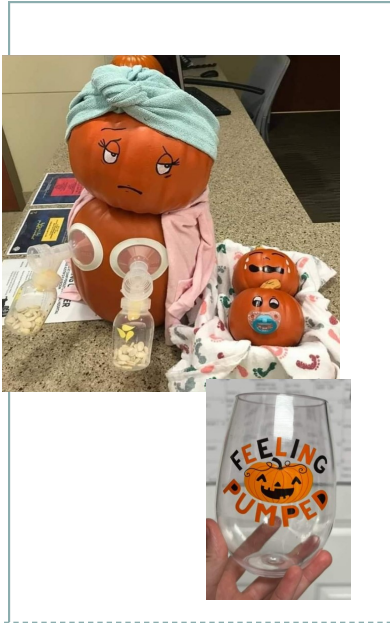

The United States Lactation Consultant Association conference was held in Norfolk, Virginia. A Texas Meet Up was organized on the last day of the conference. It was a great opportunity to visit and catch up with old colleagues as well as meeting new colleagues from all over Texas.
